

**THE BUSINESS-RUGGED MOTTO:
WHAT FALLS DOWN
MUST START UP.**

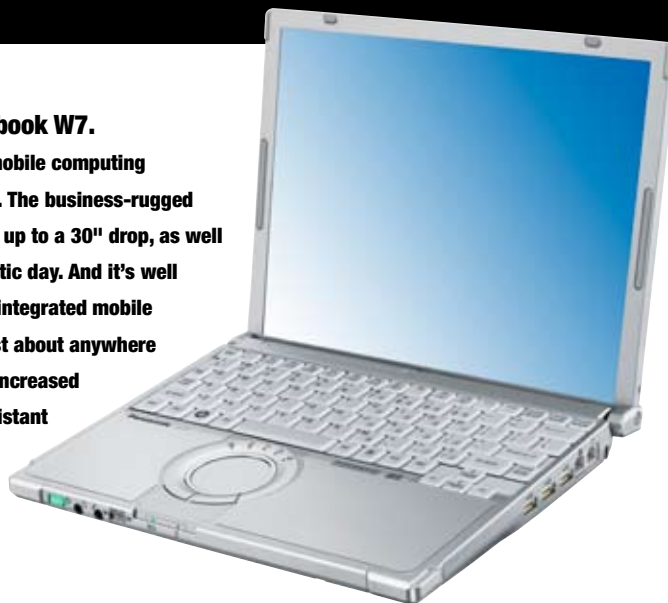

Panasonic ideas for life

TOUGHBOOK®

THE RUGGED ORIGINAL.

The NEW Panasonic Toughbook W7.

Presenting the next-generation mobile computing solution for the business traveler. The business-rugged Toughbook® W7 is built to handle up to a 30" drop, as well as the bangs and bumps of a hectic day. And it's well equipped with WiFi and optional integrated mobile broadband (3G) that connects just about anywhere your cell phone can. Add to that increased processing power and a spill-resistant keyboard and touchpad, and you get a laptop that lets you do more than you ever expected. And not just at your desk.

The **NEW** Panasonic Toughbook W7.

*Total usable memory will be less depending upon actual system configuration. Vista max VRAM is 251MB with 1GB of memory, or 358MB with 1.5GB or more of memory.

**Hard drive removal should only be attempted by a technician with the proper equipment.

***Battery performance features such as charge time and life span can vary according to the conditions under which the computer and battery are used. Battery operation and recharge times will vary based on many factors, including screen brightness, applications, features, power management, battery conditioning and other customer preferences. Battery testing results from MobileMark 2007.

****Requires software and activation to enable theft protection.

*****Accessories and Integrated Options may vary depending on your notebook configuration.

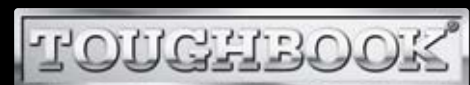

Please consult your reseller or Panasonic representative before purchasing.
